

TAOS ACADEMY FOUNDATION

January 15, 2018

Dear Taos Academy Supporter,

As part of our school program, Taos Academy offers Winter Activity Days to encourage students to get fit and stay healthy. This year we want to get the community involved.

Taos Academy Foundation Board uses the money raised to provide seed money for school projects such as the greenhouse, our outdoor education program, field trips, and ski scholarships.

We are asking Taos community businesses for support to make our fundraising effort a success.

Any donations are tax deductible. Donations can be mailed to the school or paid directly online at our website, www.taosacademy.org. Please send an email below to get a tax donation letter.

Thank you, in advance, for your support, we look forward to your reply

Karin Moulton
